Electrical Report

Please attend site to assess x1 chest freezer and dishwasher that was damaged after an electrical storm

All amounts shown are exclusive of GST.

SUSTAIN ELECTRICAL & SOLAR,

You have been assigned a new work order.

- 1.1. Attend site and carry out inspection and testing to the items as outlined in the above comments section. Photos and report to be provided on findings to ETS.
- 1.2. Provide Photos of OH meter if used.
- 1.3. Provide make, model, and approximate age of the items that have been damaged.
- 1.4. You may also call us from site (or immediately after) on 1300 755 455 for VERBAL/VIRTUAL REPORT. You may also SEND PHOTOS to 0499196365 or via email to admin@etsaus.com.au. Our team will then type out the report on your behalf and will await your invoice at your earliest convenience.

Please be reminded - By accepting the work order, the contractor accepts the below:

OHS: State Occupational Health and Safety regulations and policies must be adhered to for the duration of the Subcontractors time on site. It is the Subcontractors responsibility to complete a risk assessment before commencing all the jobs and immediately reporting any high-risk hazards to Emergency Trade Services Pty Ltd prior to commencing the jobs. Where a high-risk Hazard is identified, or for any jobs exceeding \$1,000, a SWMS must be completed and supplied to Emergency Trade Services Pty Ltd PRIOR to the jobs beginning. Subcontractors are required to ensure that all safety procedures relating to the trade type are followed and hold all appropriate licenses and insurances.

SOW: It is the responsibility of the sub-contractor to advise of any discrepancies in the scope of works. Any alteration or variance to the scope of works provided must be approved by Emergency Trade Services Pty Ltd prior to works commencing. Emergency Trade Services Pty Ltd reserves the right to withhold invoice payment for any additional works completed outside of the requested scope.

ALL INVOICES MUST BE SUBMITTED VIA THE LINK IN THE EMAIL

Thank you.
